

Shakespear Open Sanctuary School Visits by SOSSI

Shakespear Open Sanctuary, at the end of the Whangaparaoa Peninsula, is one of Auckland's most popular parks. Since the installation of the pest proof fence in 2010, the Open Sanctuary has become a haven for native wildlife as well as an attractive destination for families and interest groups.

Shakespear Open Sanctuary Society (SOSSI) is a dedicated volunteer group that supports Auckland Council in managing the sanctuary, and offers tailored school visits all year round.

-  **Sessions suitable for Primary & Secondary.**
-  **Visits tailored to suit your class.**
-  **Knowledgeable session leaders, plus self-led options.**
-  **Range of habitats including beach, dunes, pasture land, wetland and bush.**
-  **Stories brought to life of how birds and lizards can thrive with protection from predators and how rare species such as Kiwi and NZ Robin have been reintroduced.**

For more information or to arrange for someone to visit your school, go to www.sossi.org.nz or email schools@sossi.org.nz
